Old Business

Show Planning:

Contract with fairgrounds is done. Needs to be signed by the fairgrounds.

Should pre-pay for a certain number of camp hookup sites for participants. Kelly will make sure ten are reserved. \$30/night. Kelly will find out per night cost so we can figure out how much to charge entrants.

Food: Kelly will handle. Thinking Chaco's taco one day and Curry Time the other day? Or Juan's food truck!

Ribbons: We will order new ones.

Prizes: Anna talked to Happy Horse and they offered to provide prizes. Ginka will talk to Heather to obtain a sense for the number of first place prizes we would need (number of classes). Kelly will talk to AlSCO to determine how much they can get LL bean duffels for, for high point.

Stalls: should set a sub-set up prior as a test.

Second Judge: Jessica indicated that all that have responded are booked. Sandy will judge if necessary.

Kelly will order bright volunteer T-shirts. Red with white text.

Need to figure out when to send out an RMDS email blast coordinated with entry opening date.

Ride-a-test:

June 5.

Should send a reminder to OTB members, when entries due. Including English and western dressage, and eventing.

Ginka will make sure we have a porta potty.

New Business

Stephanie inquired as to whether we can advertise personal for-sale items via email. Tom proposed club be able to advertise things for sale. For now, Members can send things for sale to the Secretary, who will send it out it out to the membership. Stephanie seconded. Passed.

Schwag: Kelly will send Anna the info to order. Anna will send out with next minutes and aggregate orders.

Moved to adjourn at 9:10.
